

## Circular

"Creativity is making marvelous out of the discarded."

To enhance the creative skill of the child and to give new path to their innovative mind. We have planned "Best out of waste" competition for the students 6th to 10th on 27th May.

### NOTE :

- \* The participants must use waste materials like old newspaper, buttons, threads etc.
- \* Readymade new things are not allowed.
- \* It can be still / working model.
- \* Original creative use of material will be considered.
- \* Competition will be in school campus.
