Ref. No. :

Transport Safety Certificate

Dated.....

This is to certify that School Buses & Transport of **D.A.V.C. Public School, Nagpur, Fatehabad** are following the guidelines issued by C.B.S.E. The School Buses are safe for the students. The School Buses have many facilities like:

- A. Exterior of the Bus :** All the school buses are painted with uniform colour Yellow with the name of the school written prominently on both sides of the bus so that these can be identified easily. The word "School Bus" is written on the back and front of the bus. Telephone number of the school and/or telephone number of any contact person is also written.
- B. Fixture and furniture of the Bus :** The windows of Bus is fitted with horizontal grills and with mesh wire. The doors of the Bus are fitted with reliable locks that can be locked. All school buses fitted with speed control devices. There is a fire extinguisher in each Bus.
- C. Manpower in the Bus :** There are a qualified attendant in the Bus to attend to Children. School have one Transport Manager/ coordinator who ensures the safety of the school children. The provision is also to be made by the school authorities for travelling of at least one teacher in each school bus. Medical checkup regarding the physical fitness of the driver including the eye testing is made every year.
- D. Permits :** The driver have valid license and at least 5 years of experience of driving heavy vehicles. A driver who has been challaned more than twice in a year for offences like red light jumping, violation of lane discipline or allowing unauthorized person to drive is not employed. A driver who has been challaned even once for the offence of over speeding, driving dangerously or for the offences under Section 279,337,338 and 304A of the Indian Penal Code is not employed. Every vehicle carry a suitable photograph of the authorized driver duly certified by the RTA. Periodical fitness certificate regarding roadworthiness of the vehicle is obtained. Any school authority and/or driver found to have violated the provision of the Motor Vehicles Act, 1988 and the rules framed there under as well as of the directions is penalized.
- E. Arrangements in the Schools :** School has made safe arrangement for boarding and deboarding of school children from the school bus. The school authority ensures that the doors of the buses remain shut while in running condition. They will ensure that buses halt only at bus stops designated for the purpose and within the marked area. Refresher course of driver training so as to fine tune and increase the proficiency of the driver is given to the drivers of the school buses periodically, i.e. least twice in a year. No person is allowed to drive the school bus in drunken condition. Regular check in the respect is undertaken by the school authorities and in case of any doubt in that regard such drivers are subjected to medical test immediately and proper action including the action for cancellation of the license is taken. All drivers of the school buses are dressed in a distinctive uniform with their names inscribed in it. In every school bus there is an another qualified person to keep attending children travelling in such buses, as conductor, who is dressed in distinctive uniform with their names inscribed in it. The school authority provide one set of mobile phone in each school bus so that in case of emergency the bus can be contacted or the driver/conductor can contact the police or State authority as well as the school authority. The authority ensures that the school buses are not permitted to overtake any other four wheelers while carrying the school children in the bus. The School authority shall ensure that the students maintain discipline when boarding and disembarking the bus so that no children get hurt. Efforts are made by the school to make necessary arrangement for parking the school bus inside the school campus at least at the time of boarding and disembarking. The school encourage its children to conduct programmes through play, exhibition etc. during Road Safety Week to create an awareness in public. Periodic feed-back from students using school Transport facility with regards to driver/conductor has been taken and records have been maintained.
